CLASS HISTORY

After eight years of careful cultivation we came as twenty-three tiny rose buds in the fall of 1964, anxiously seeking a new adventure. We were new starting on the four year task of blooming. Harold Graham became our first gardener to see that we didn't thirst from a lack of an education. The more sturdy buds who were chosen to represent us were Sandra Burris, President; Rick Smith, Vice-President; Margret North, Secretary-Treasurer; and Ronald Rogers, Student Council Representative. The other members in our rose garden were Ron Blaker, Dale Borror, Gary Bongiorni, Larry Callerman, Stephen Carr, Steven Carter, Eva Collins, Donna Crawshaw, Barbara Davis, Ellen Forsythe, Mark Gibson, Charley Johnson, Wanda McCarty, Mike Nunnenkamp, Tom Relph, Linda Smith, Donita Steeves, Bill Stevens, and Judy Wingate. This year the girls served at the Junior-Senior Banquet.

Our Sophomore year, the green had begun to peel, and the red had begun to show. We were sad to see that we had lost three of our members. Ronald Rogers, and Bill Stevens had transferred to Neodesha, and Wanda McCarty had become Mrs. Jerry Houghton. Mr. Avis Hale took over responsibilities as our sponsor. Our leaders this year were Mike Nunnenkamp, President; Margret North, Vice-President; Sandra Burris, Secretary-Treasurer; and Ellen Forsythe, Student Council Representative. We gained John Kramer from Longton in the second semester. We were gradually taking our place in the flower bed of A. H. S. The girls served again this year at the Junior-Senior Banquet. We were now a few inches taller and closer to blooming.

By the next September the green was completely gone and twenty-two red buds stood. This year was a landmark We were sturdy now, standing tall and slender and next to the Seniors we were the mightiest class in school. Ralph Dice and Avis Hale took over weeding processes trying to keep us growing with nothing to hinder. Ellen Forsythe took over chief duties as President; Margret North, Vice-President; Judy Wingate, Secretary-Treasurer; and Mark Gibson, Student Council Representative. We had a lot of fun presenting our attendance breaking Junior-Senior Play, "A Fued' in Over Yonder." Our director was Mr. Mile Peterson. We also had our Junior Magazine Sale. On April 11, we bankrupted our parents when we ordered our class rings. We all ordered a blue stone, set in gold. Spring of this year was marked by our highly successful Junior Senior Banquet and Prom. Our theme "Moonlight and Roses" took many hours of hard work and we were very proud of the outcome. We asked the Sophomore girls to help serve this year. The Blue Notes from Independence Junior College provided our music for us. Thus ended a happy and successful year. At the end of this school year Barbara Davis attended Independence Juco to finish her high school education and then became Mrs. Steve Whistler.

In the fall of 1967, there came twenty beautiful red roses to finish the four year journey of blooming. We were deeply grieved when one member of our class, Charley Johnson, was killed in a motorcycle-train accident on October 7, 1967. We are sorry that all of us who started the journey will not be graduating together. We chose Sandra Burris as our President; Mike Nunnenkamp, Vice-President; Ellen Forsythe, Secretary-Treasurer; and Mark Gibson, Student Council Representative. We chose Mr. Ralph Dice as our sponsor. We had a lot of fun presenting our Senior Play, "Aunt Tillie Goes to Town." Our director was Mr. Paul Troop whom we enjoyed many hilarious occasions with. On May 3, 1968 the Junior class presented us with a beautiful Banquet and Prom with the theme of Tahisian Holiday. The decorations were simply gorgeous and the finishing touches were added by a very good band. We had many projects this year which included a car wash, bake sale, slave auction, play, ice cream stand, hog sale, and spaghetti supper. These are just a few of the things we did to help make the $1200 we needed for our trip. We went on a beautiful Senior Sneak to Six Flags, the Gulf, and San Antonio, Texas. We came back just in time for Baccalaureate and Commencement. Here we pledged to flower forth in rare color, graduating May 22, in full flower. So ends the most successful and happy journey through A. H. S.

FOOTBALL

This year Altoona had a fairly good season under the direction of Coach Graham. Our record was four wins, three losses and one tie.

We trounced Thayer in our first game. Then we tied up Toronto in the last minutes of the second game. At our Homecoming we beat Hamilton with ease. Midway proved to be our first defeat and we felt bad about the loss. We beat Thayer again and then went to Greeley where we suffered another defeat. St. Pats of Parsons proved to be an easy victim for the Redskins, but then came the last game of the season with Westphailia, who was the best team we faced. We lost our last game.

The seven seniors and the junior that made up the offensive team are shown on the following page. These boys and the ones below made up the defensive team. Coach Graham wishes the departing boys good luck in the future and also wishes the returning lettermen good luck in the next season.

ALTOONA REDSKINS
WIN TOURNAMENT

ALTOONA--The Altoona Redskins swept the finals of their invitational basketball tournament here Saturday night, the A-team winning over the Thayer Flyers 58-50 and the B-team defeating Toronto 59-49.

With the tournament triumph, the Altoona squad is now 9-1.

Scoring by quarters:
Altoona..14 16 11 17-58
Thayer..17 13 10 10-50

Altoona B 13 17 17 12-59
Toronto 8 16 12 13-49

The tourney clash was close all the way. Altoona employed a full court press the entire game, led narrowly in the closing moments and built up the final spread on free throws as Thayer fouled trying for possession.

The Basketball Squad is very proud of Coach Rogers who led them to two First Places in the Altoona Invitational Basketball Tournament.

SENIOR RINGS

A shiny ring
Made of Gold
And in this ring
My memories hold.

A Senior ring
So small and round
And a new life
With it is found.

It holds the past
Of highschool days
And represents the future
In many ways.

We open one door
While another we've closed
Leaving the past
To a future composed
